# History of Oklahoma State University

---

The story of Oklahoma State University began on Christmas Eve, 1890, at the McKennon Opera House in Oklahoma's territorial capital of Guthrie when Territorial Governor George W. Steele signed legislation establishing an Oklahoma Agricultural and Mechanical College (OAMC) in Payne County. OAMC's first students assembled for class on December 14, 1891, even though there were no buildings, no books, and no curriculum. The college's first students attended classes in the Stillwater Congregational Church. The original campus consisted of 200 acres of prairie that were donated by four local homesteaders. The college's first six graduates received their diplomas in 1896.

Visitors to the OSU campus often marvel at its beauty and consistency of architecture. Much of the credit goes to legendary president, Henry G. Bennett, who served from 1928-1951. Dr. Bennett's 25-year campus master plan envisioned some of the university's most famous and beautiful structures, including the Edmon Low Library and the OSU Student Union. OSU President Burns Hargis guided unprecedented construction that made OSU more competitive in academics and athletics. Starting in the fall of 2008, OSU opened the Multimodal Transportation Terminal, the North Classroom Building, the west end zone of Boone Pickens Stadium, refurbished Old Central, the Donald W. Reynolds Architecture Building, the Henry Bellmon Research Center, an updated and expanded Student Union, the Greenwood Tennis Center, the north wing to the College of Education and Human Sciences building, an upgraded Atherton Hotel in the Student Union, the innovative University Commons residential complex and dining facility, the crescent-shaped business building, the world-class ENDEAVOR facility for interdisciplinary research, and top-tier O'Brate Stadium for baseball. In October 2019, OSU opened the magnificent McKnight Center for the Performing Arts with the New York Philharmonic. The Greenwood School of Music connects to the McKnight Center and opened in spring 2021. Hall of Fame Avenue on the north and University Avenue on the south, as well as core north-south artery Monroe Street, have all been significantly upgraded, and the university continues to update its campus landscape plan, including the addition of a Welcome Plaza southeast of the Student Union.

OSU grew quite rapidly following World War II. The post-war years were marked by a huge enrollment surge and the thriving "Veteran's Village" on the northwest edge of campus as veterans and their families moved into surplus military housing provided by the college. The mid-1940s also were a golden era for athletics at Oklahoma A&M. In a 90-day period in early 1945, OAMC teams won the Cotton Bowl, the NCAA championship in wrestling, and the NCAA championship in basketball. In 2016, the undefeated 1945 football team was retroactively awarded the national championship trophy by the American Football Coaches Association. In 1946, the wrestling and basketball teams repeated as national champions, and the football team won the Sugar Bowl.

Coaches and players from that era are sports legends. Coach Henry Iba set a national standard in basketball and Edward Gallagher took OAMC wrestling teams to international prominence.

By the 1950s the college had grown substantially and in 1957 OAMC became The Oklahoma State University for Agriculture and Applied Science. During the next three decades, OSU would build academic programs to match its new status. Enrollment more than doubled from 10,385 in 1957 to more than 23,000 in the 1980s. OSU became a statewide university system, adding branches in Okmulgee in 1946 and Oklahoma City in 1961. OSU merged with the Oklahoma College of Osteopathic Medicine in 1988, and OSU-Tulsa was born in 1999. Under the leadership of Hargis, OSU's 18th president, the university has seen record enrollment and fundraising. OSU welcomed the five largest freshmen classes in school history in 2012, 2015, 2017, 2018 and 2019. OSU raised more than \$2.2 billion in private support during Hargis' 13 years as president.

Today, OSU has 35,000 students across five campuses and a presence in every Oklahoma county through its extension offices and experiment stations. From six graduates in 1896, to 5,000 annually today, the small college on the prairie has grown and prospered far beyond the dreams of its founders. OSU teaching, research, extension and graduates are making a bigger impact on the lives of people around the world than ever before. It's a great time to be a Cowboy!

## MESSAGE FROM THE PRESIDENT

Class of 2021,

Congratulations on your accomplishment! I know the road has been long to reach this point in your academic career, and it traversed some of the most unusual and challenging times in university history.

From the entire OSU community – faculty, staff, alumni and donors – we are proud of you for persevering. You have dreamed big, overcome challenges and raised the bar. As we celebrate this milestone with each of you, we also celebrate your integrity. The Cowboy Code calls us to do what's right, even when it's hard. You've done that, and we know you will continue to embody the values and spirit of Oklahoma State University.

OSU graduates have been leaving their mark on the world for well over a century in every discipline. From engineering to medicine, from the sciences to the humanities and more, OSU alumni make the world a better place. I cannot wait to see what you accomplish in the years to come.

We are delighted to recognize you and your accomplishments at our December commencement ceremonies. After the ceremony closes, keep the momentum. Set goals, make plans and continue to dream big. One step at a time, march toward your next goal. We will continue to celebrate you, our fellow Cowboys, and your accomplishments.

Congratulations, and Go Pokes!

Sincerely,

MESSAGE FROM THE OSU ALUMNI ASSOCIATION PRESIDENT

To the Class of 2021,

On behalf of the Oklahoma State University Alumni Association and OSU graduates around the globe, I would like to welcome you to the alumni family!

Earning your degree from OSU is something to be extremely proud of under normal circumstances, but as you're well aware, the past few years have been anything but normal. As the Cowboy Code says, we finish what we start. You have persevered and proven that being a Cowboy isn't in our clothes; it's in our character.

It's important to remember your time as a Cowboy is really just beginning, and that's why the Alumni Association is here. I encourage you to connect with us before leaving campus by downloading the Orange Connection app and reviewing the section for new graduates. Within the app, you can also learn about the best way to remain connected to your alma mater – membership in the Alumni Association.

We help new graduates secure employment, connect them with chapters of alumni throughout the nation and keep them informed on what's happening back in Stillwater. We also have virtual programming for alumni and fans, and we hope you'll take advantage of all of these great benefits wherever your journey takes you.

Congratulations again on this tremendous accomplishment. We look forward to serving you for many years to come.

Go Pokes!

## Alma Mater Hymn of Oklahoma State University

*Words by Robert McCulloh, '49*

Proud and immortal, Bright shines your name;  
Oklahoma State, We herald your fame.  
Ever you'll find us loyal and true,  
To our Alma Mater, O. S. U.

### Oklahoma

*Written by Oscar Hammerstein II*

*Music by Richard Rodgers*

Oklahoma, where the wind comes sweepin' down the plain,  
And the wavin' wheat can sure smell sweet  
When the wind comes right behind the rain.  
Oklahoma, ev'ry night my honey lamb and I  
Sit alone and talk and watch a hawk makin' lazy circles in the sky  
We know we belong to the land  
And the land we belong to is grand!  
And when we say -Yeeow! A-yip-i-o-ee-ay!  
We're only sayin' You're doin' fine, Oklahoma!  
Oklahoma - O.K.

## UNDERGRADUATE CEREMONIES COMMENCEMENT SPEAKER

**Allison D. Garrett**  
**Chancellor, Oklahoma State Regents for Higher Education**

Chancellor Allison D. Garrett serves as the chief executive officer for the Oklahoma State System of Higher Education. Garrett leads a state system comprised of 25 state colleges and universities, 11 constituent agencies, one university center, and independent colleges and universities coordinated with the state system. She reports to a constitutional board whose nine members are appointed by the governor and confirmed by the Senate.

As Chancellor, Garrett provides leadership on matters relating to standards for Oklahoma higher education, courses and programs of study, budget allocations for institutions, tuition and fees, and strategic planning. She is responsible for an annual higher education budget in excess of \$2.8 billion as well as the state endowment fund, with a market value over \$931.5 million. As Chancellor, she leads OneNet, which is Oklahoma's most advanced technology network designed to provide the infrastructure to support high-speed broadband services, as well as the Oklahoma College Assistance Program, which provides college access, aid awareness, financial literacy and student loan management programs and services that benefit students, parents, schools and community partners. Garrett directs 20 statewide scholarship programs, including the Oklahoma's Promise scholarship program and statewide Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP) efforts.

Chancellor Allison D. Garrett took office as chancellor of the Oklahoma State System of Higher Education on November 8, 2021. She is the first woman to hold the position of Chancellor in the state of Oklahoma.

Garrett has a wealth of experience in both higher education administration and the corporate sector. Prior to her role as Chancellor, Garrett served as the 17th president of Emporia State University (ESU) in Emporia, Kansas. During her tenure, ESU developed momentum in several key areas, including completion of its largest capital campaign; transformation of the campus with new building projects; record-setting increases in student enrollment, retention, and graduation; and development of new academic programs to address the needs of state and regional business and industry. While at ESU, Garrett also served as vice chair of the NCAA Board of Governors and as chair of the NCAA Division II Presidents' Council.

Prior to serving as president of ESU, Garrett served as executive vice president of Abilene Christian University in Abilene, Texas, senior vice president for academic affairs at Oklahoma Christian University, and as an associate professor of law at Faulkner University in Montgomery, Alabama.

Garrett also worked for more than a decade at the Walmart Inc. corporate offices, holding the positions of vice president and general counsel for the corporate division and vice president of benefits compliance and planning. Upon graduation from law school, she went into private practice before taking a position with the U.S. Securities and Exchange Commission.

A native of Neosho, Missouri, Garrett holds a bachelor's degree in English from Oklahoma Christian University, a juris doctorate from The University of Tulsa College of Law, and a Master of Laws in securities regulation from Georgetown University.

Garrett and her husband, former judge Chip Garrett, currently live in Edmond, Oklahoma. They have three adult children and one grandchild.

The list of fall degree candidates was prepared before final grades were reported, and inclusion herein does not constitute evidence of graduation. Final action to ensure an accurate listing of names of all persons qualified for degrees could not be compiled before this program went to print. The listing of a name in this program should not be construed as an indication that the person will in fact receive a fall degree from Oklahoma State University. Conversely, the absence of a student's name from this list does not necessarily mean the person will not be awarded a degree. Final certification of degree and academic distinction will be made by the Colleges and the Registrar after candidates have completed all degree requirements.

### GRADUATION WITH DISTINCTION

The following final grade-point-average distinctions are determined at degree completion and will appear on undergraduate diplomas and transcripts:

Summa cum laude	3.90-4.00
Magna cum laude	3.80-3.89
Cum laude	3.70-3.79

#### Degree Abbreviations:

BA	Bachelor of Arts
BAR	Bachelor of Architecture
BEN	Bachelor of Engineering
BFA	Bachelor of Fine Arts
BLA	Bachelor of Landscape Architecture
BM	Bachelor of Music
BPS	Bachelor of Professional Studies
BS	Bachelor of Science
BSAE	Bachelor of Science in Aerospace Engineering

BSME	Bachelor of Science in Mechanical Engineering
BSN	Bachelor of Science in Nursing
BUS	Bachelor of University Studies
GCRT	Graduate Certificate
MA	Master of Arts
MAG	Master of Agriculture
MAT	Master of Athletic Training
MATT	Master of Arts in Teaching
MBA	Master of Business Administration
MEN	Master of Engineering
MFA	Master of Fine Arts
MM	Master of Music
MPH	Master of Public Health
MS	Master of Science
MPSM	Professional Science Masters
EdS	Specialist in Education
EdD	Doctor of Education
DHCA	Doctor of Healthcare Administration
PhD	Doctor of Philosophy
DVM	Doctor of Veterinary Medicine

## Additional Spring 2021 Degree Recipients

OSU spring and summer degree candidates are invited to participate in the OSU spring commencement ceremony, and their names are listed in the spring commencement book. However, because the spring commencement book goes to print shortly after April 1, it is not possible to include candidates who apply for graduation after that date. This section recognizes these degree recipients, some of whom will participate in today's ceremony.

## Additional Summer 2021 Degree Recipients

OSU spring and summer degree candidates are invited to participate in the OSU spring commencement ceremony, and their names are listed in the spring commencement book. However, because the spring commencement book goes to print shortly after April 1, it is not possible to include candidates who apply for graduation after that date. This section recognizes these degree recipients, some of whom will participate in today's ceremony.

## ACADEMIC REGALIA

The robes, hats and hoods worn by faculty members and graduates as they march into the commencement hall, and even the different colors you see on them, have historical origins and significance.

During the Middle Ages, scholars at the earliest English and European universities wore wool or fur garments to stay warm in the drafty, stone buildings that were poorly heated. Most of the scholars were also monks or priests, and as such had the hair shaved from the crowns of their heads in the distinctive clerical tonsure. Most wore cloaks that included a hood that could be pulled up to keep their heads warm. The academic gowns and hoods were adapted from both secular and clerical garments of the time, and the hood was chosen by the early scholars to indicate by color, trim or binding the degree held by the wearer.

The style of academic dress most frequently worn in the United States dates back to colonial times, although it was not formally adopted until near the end of the 19th Century, when it was chosen as appropriate attire by the Intercollegiate Commission during a meeting in New York. It has remained the general standard in America since, although some variations occur at individual institutions. In the United States, black is the traditional color for academic gowns, although some institutions allow holders of doctoral degrees to wear robes in the university's colors.

The sleeves of the robes vary, depending on the degree held by the wearer. The bachelor's robe has long, pointed sleeves. The master's robe has sleeves that are oblong and closed at the ends, with slits through which the arms may be extended. The doctoral robe has a full sleeve with a velvet facing on the front and at the neck, and three velvet bars on each sleeve. The velvet may be black or of a color that symbolizes the degree held by the wearer.

The head covering most commonly used in the United States is the square, tasseled "mortarboard." Some American universities, however, use berets, and in other countries a variety of styles of head coverings is worn with academic regalia. The tassel is usually black and is worn over the left front quarter of the mortarboard. Holders of doctoral degrees may wear gold tassels.

The hood is the most distinctive feature of American academic dress, which through color and design may indicate the wearer's degree and the institution at which that degree was earned. Hoods are lined with the colors of the institution that awards the degree, and may be faced with the color designating the degree awarded. Hoods vary in length. The bachelor's hood is about three feet long, the master's slightly longer and the doctoral version is longer still and is decorated with broad color panels.

Candidates for advanced or professional degrees wear hoods symbolic of the degree. The color of the trim of the hood and the sleeve chevrons and panels of the academic gown are distinctive of the degree as follows:

<b><u>Degree:</u></b>	<b><u>Gown:</u></b>	<b><u>Hood:</u></b>
Doctor of Philosophy	Black Velvet Panels	Blue Velvet Collar and Sleeve Chevrons
Doctor of Education	Light Blue Velvet	Light Blue Collar Panels and Sleeve Chevrons
Doctor of Osteopathic Medicine	Kelly Green Velvet	Kelly Green Velvet Collar Panels and Sleeve Chevrons
Doctor of Veterinary Medicine	Steel Gray Panels	Steel Gray Collar and Sleeve Chevrons
Master of Arts	White Collar	
Master of Science	Golden Yellow Collar	

The colors of Oklahoma State University are embodied in the lining of the hood (orange and black chevron). The colors of the hoods of faculty and guests are those of the institution conferring the degree. In addition to the academic regalia described above, some students wear cords, sashes, ribbons, and other symbols of heritage or achievement in academics, service, and leadership.
