

DIPLOMA NAME PREFERENCE

With the best interest of the student in mind, Oklahoma State University strives to maintain educational records under the student's full, legal name and to consistently issue official university documents, such as transcript and the diploma, under the full, legal name. It is highly recommended that students complete a "Correction or Change of Name" form to update their names on all official university documents.

This form will modify the way a student's name appears ONLY on the official diploma to accommodate one or more of the following:
1. Special capitalization/punctuation/accent marks or spacing in your legal name which you wish to be included on your official diploma, but cannot be accommodated in the Student Self-Service (i.e., Renée, Muñoz, LeeAnn).
2. Replace your first or middle name with an initial (i.e., change "Matthew" to "M").
3. Replace your middle name with your maiden name (first maiden last) or insert your maiden name between your middle and last names (first middle maiden last).
