Career Services

OSU Career Services offers comprehensive career support to the Cowboy family, while making OSU a top talent hub. The goal of OSU Career Services is to create valuable connections and offer life-changing career opportunities for OSU students and alumni.

The department assists students one-on-one in exploring academic majors and careers, provides insight into securing part-time jobs, hosts nearly a dozen specialized career fairs each year and organizes connection sessions for students and alumni to interface with employers. Through campus recruiting, students and alumni have access to employment opportunities with hundreds of employers across the United States and beyond. Additionally, students receive support with other career-building activities, including career exploration, job shadowing, leadership and volunteer experiences to develop the skills necessary for future employment.

Career development activities, including help in identifying a major well suited to a student's interests, skills and abilities are facilitated by career coaches available in each academic college and the OSU Career Services office. Career coaches utilize various career assessments, followed by one-on-one appointments to offer personal insight to foster professional growth. Students can work with a career coach throughout their collegiate career to build professional application materials as they explore part-time jobs, internships, full-time employment or graduate and professional school. In addition to individual consultations, Career Services offers mock interviews, career-related workshops, portfolio development and other professional development programming. These services continue as students graduate and become members of the OSU Alumni Association.

Students and alumni can utilize the Job and Interview Portal (<https://okstate.12twenty.com/Account/Login/>) to search and apply for jobs and upload their information to allow recruiters to find them. Employers interested in hiring OSU students and alumni post opportunities for full-time jobs, internships, co-ops, federal work-study positions and part-time jobs on the Job and Interview Portal. Additional job search and preparation tools such as Interview Prep, GoinGlobal, Career Shift and other job search resources and assessments are accessible through careerservices.okstate.edu (<https://careerservices.okstate.edu/>).

OSU Career Services offers several free and discounted job search supplies to enhance students' professional image including resources that answer frequently asked questions pertaining to success in the job search, as well as free resume paper and thank you notes to use at career fairs and networking events. Portfolios and business cards are available for purchase. You can find OSU Career Services in 360 Student Union.

Fraternity & Sorority Affairs

Oklahoma State University's award winning fraternity and sorority community is comprised of members of four governing councils: Interfraternity Council, Multicultural Greek Council, National Pan-Hellenic

Council and Panhellenic Council. While the fraternal community at Oklahoma State University began more than one hundred years ago, its impact continues to flourish on campus. Today, more than 4,000 students are strong and vital members of the OSU fraternity and sorority community. We are proud to have a thriving system on campus with numerous, diverse nationally-recognized fraternities and sororities represented.

Our fraternity and sorority community offers students a unique opportunity to have a balanced college life with a focus on academic excellence, brotherhood/sisterhood, community service and responsible social interaction. Greek affiliation also allows students to make lasting friendships with individuals with similar ideals and common purposes. For more information, visit our website at <http://gogreek.okstate.edu>.

International Students and Scholars

The Office of International Students and Scholars (ISS) is a unit within OSU GLOBAL that provides assistance to more than 1,500 international students, scholars, and their dependents at OSU. OSU hosts students and scholars from more than 90 countries. ISS helps international students and scholars achieve their educational objectives by assisting with U.S. immigration regulations and opportunities provided for international visitors. This includes opportunities such as degree related internships, on-campus employment eligibility, immigration processing of appropriate documentation, interactions with embassies, and consulates as well as possible post-degree employment opportunities. ISS also works with academic units across the campus to provide a safe and welcoming academic environment for the international community at OSU.

ISS provides services to newly arriving international students and scholars including coordination of initial check-in, immigration registration, new international student and scholar orientation, on-campus employment eligibility processing, assistance with connecting to other student organizations, and leadership opportunities. ISS regularly communicates with OSU's international student body through a weekly listserv and the ISS website. In addition, ISS provides a variety of seminars on issues relevant to the needs of the campus community. ISS also provides services to students who are under contract from a third-party agencies or governmental sponsorship. For more details on these

services, please visit the Sponsored Student Services link on the ISS website.

One of the ways that ISS supports cultural events and activities is through the sponsorship of the International Student Organization (ISO). ISO provides leadership opportunities through multiple programs that encourage international student integration into campus life. Those programs allow international students to present their respective cultures to the OSU and Stillwater communities. ISO is the parent organization to nearly 20 Area Clubs that represent a variety of nationalities. Lectures

Oklahoma State University, through its academic organizations and student groups, has a significant number of speakers each year, enriching the intellectual life on campus. Individuals, from both off-campus and on-campus, share their expertise with faculty, students, staff and town's people on a wide variety of topics.

Many of the academic units as well as student groups invite speakers to their meetings in order to enhance the educational component of the University. These lectures are generally of interest to specific academic areas, rather than to the general campus.

The Student Government Association, through its Speaker's Board, brings major figures in politics, entertainment, and business to campus. The purpose of the Speaker's Board is to bring speakers of a high caliber to OSU's campus in order to spark the imagination and interest of the student body. Other student organizations conduct active lecture programs concerning their areas of interest.

Non-Traditional Student Services

The primary goal is to assist nontraditional students, anyone with at least a two-year break in education, by providing support, information and referrals. The coordinator serves as a resource person for the entire campus community and seeks to raise the awareness of faculty, administrators and students with regard to the needs of this special group. All nontraditional students are encouraged to stop by Campus Life in 211 Student Union to discuss their concerns or questions.

The religious centers have strategic locations close to campus and, in addition to their own ministry, coordinate many of their efforts with each other, other campus religious organizations and through the Interfaith Council.

Student Volunteer Center

Since the Student Volunteer Center's inception in 1984, Oklahoma State University students have served at hundreds of non-profit agencies, building a reputation of civic responsibility within higher education and other communities in Oklahoma. Working together toward a common goal, the Student Volunteer Center has had an impact on communities worldwide. The focus of the Student Volunteer Center is to provide OSU students purposeful volunteer opportunities to give back to our community. Working with local, state and national non-profit agencies, students at Oklahoma State University are provided with opportunities to grow and excel through meaningful hands-on involvement in service, research and academic activities. Through information sessions and an annual part-time work and service fair, a traditional fall event, the Student Volunteer Center keeps students informed about upcoming events and needs in the local community. Through civic engagement participation, students learn and develop through active participation in

thoughtfully organized service experiences that meet actual community needs. Undergraduates, if you have 400 cumulative impacts and hours at your graduation semester, you can apply for the exclusive Orange C.O.R.D. Transfers and Graduates, if you have 100 cumulative impacts and hours per year you are at OSU, you can apply for the exclusive Orange C.O.R.D. The Student Volunteer Center continues to enrich lives of our community members through intergenerational and interpretive service projects.

For further information, please visit the Student Volunteer Center website. (<https://campuslife.okstate.edu/student-volunteer-center/>)

If you are looking for volunteer opportunities or are needing to log your impacts, please visit GivePulse (<https://givepul.se/b1zwh/>), as a student you are able to login with your okey credentials.

All residence halls on campus combine to form the Residence Halls Association (RHA) (<https://reslife.okstate.edu/residential-experience/student-jobs/rha.html>). The Residence Halls Association acts as the voice of residential area students to the University administration concerning policies and regulations, and coordinates campus-wide activities for the enrichment of residential area living. Each hall has its own elected officers and constitution and is a part of the RHA system of representative government. There are numerous opportunities for involvement in the halls, such as floor officers, social committees, food committees, and sports and athletic activities.

The Prepare to Program Conference is designed to provide incoming students the opportunity to learn about leadership opportunities in the residence halls.

Video Conferencing

Zoom is available to all OSU students, faculty and staff through their O-Key login. Zoom is a cloud-based video conferencing application that allows you to set up virtual video and audio conferencing, webinars, live chats, screen-sharing, and other collaborative capabilities, all while conducting live chats — and it lets you record those sessions to view later. Alternatively, Microsoft Teams offers a video conference feature that can be used as part of the Microsoft 365 suite.

DUO is available as a downloadable application for mobile devices. Alternatively, passcodes are receivable by text message. All users are required to set up MFA.

Learn more: it.okstate.edu/services/multi-factor-authentication (<https://it.okstate.edu/services/multi-factor-authentication/>).

Learning Technologies

Canvas is the learning management system used at OSU. It allows students to access lecture notes, course activities, assignment submissions, quizzes, grades and discussions.

Instructors have two additional tools available to use in conjunction with Canvas: Respondus Lockdown Browser (RLB) and Turnitin. Turnitin compares student assignments against millions of web pages to detect plagiarism.

Computer Labs

EIT computer labs contain desktop computers, printers, scanners, standard software suites and specialized software. Instructors can reserve selected labs for classroom use. Printing is available. More information is available at labs.okstate.edu (<http://labs.okstate.edu/>).

Network

The Network and Telecommunications Service team offers the OSU community access to wired and wireless network connections. Network access availability is determined by students' enrollment status or employees' employment status.

The secure wireless network option for students and employees is Eduroam, which is accessible at most higher education institutions in the United States and internationally. Additionally, wired connectivity and Eduroam are available across all OSU/A&M campuses.

Virtual Private Network (VPN)

OSU has an internal network that allows access to many applications that are unavailable through other internet connections. Employees, faculty, and students can connect to the OSU network from their home computers using OSU's VPN, which securely encrypts the connection from a computer to OSU's network.

Vehicle Registration and Parking Regulations

Any motor vehicle parked on University property between the hours of 5:00 a.m. and 5:00 p.m., Monday through Friday, must display a valid OSU paid parking permit or pass unless otherwise posted. and Traffic Regulations manual currently in effect. Any vehicle driven or parked on the campus of the University by an OSU student or employee should be registered with the OSU Parking Services.

The purpose of these regulations is to expedite the safe and orderly conduct of University business and to provide parking facilities in support of that function within the limits of available spaces. Purchase your permit online at <https://parking.okstate.edu/>; new faculty or staff, vendor, handicap, university vehicle, carpooling, retiree, construction, registration, visitor or special permits must be purchased in person at the Parking and Transportation Services office. A copy of the OSU Parking Rules and Regulations booklet is available from the Parking Services office, 1006 West Hall of Fame on the corner of Monroe and Hall of Fame; or view online at <https://parking.okstate.edu/>.

Bicycle registration with the OSU Department of Parking and Transportation Services is advantageous in the event the bicycle is stolen or lost. When bicycles are recovered by the department they are checked against bicycle serial numbers maintained in the registration files for return of the bicycle to the rightful owner. Permits are free of charge and can be obtained in-house or online (shipping fees will apply). Prior to obtaining a permit you are required to review safety guidelines before registering your bicycle. You can view the tutorial, and take the quiz online at <https://shuttle.okstate.edu/parking/bikesafetyquiz/video> (<https://shuttle.okstate.edu/parking/bikesafetyquiz/video/>).

Americans With Disabilities Act (ADA) Compliance Program Office of Equal Opportunity

OSU is committed to improving the full and nondiscriminatory participation in all aspects of campus life for individuals with disabilities. Considerable progress has been made to enhance ADA access to OSU programs, services, facilities and grounds. Students with disabilities are encouraged to help with such efforts by identifying and reporting barriers and other access issues encountered throughout the University Community to the Office of Equal Opportunity. Any student who believes they have experienced discrimination on the basis of a disability can seek resolution through the Equal Opportunity Officer. For more information, contact the Office of Equal Opportunity, 408 Whitehurst, 405-744-9153 or by email address at eeo@okstate.edu.

Student Accessibility Services

Student Accessibility Services (SAS) at Oklahoma State University offers academic, housing, and dining support to students with disabilities attending the OSU Stillwater and NOC Stilwater campuses. Student Accessibility Services is committed to providing a community that ensures full participation for students. Additionally, Student Accessibility Services is a resource for faculty and staff members. Appropriate services are determined on an individualized basis and may include housing or dining accommodations, accessible textbooks, classroom access, testing accommodations, assistive technology, reduced course load and other services based on disability-related need.

Reduced Course Load Accommodation

A reduced course load accommodation generally provides the same services, benefits, and responsibilities as full-time students, including eligibility for undergraduate honor rolls (notwithstanding the usual 12-hour requirement of University Academic Regulation 6.11), university-sponsored scholarships, student housing, and participation in university-sponsored clubs and activities. Taking less than 12 hours in a fall or

spring semester, even with a reduced course load accommodation, may have implications on financial aid, veteran education benefits, visa status, athletic eligibility, and timely progress toward graduation. Students are encouraged to consult their academic advisor and pertinent campus offices before requesting a reduced course load accommodation to understand potential consequences.

Students can initiate a request for services by contacting Student Accessibility Services located in the Seretean Wellness Center Office #103A, phone 405-744-7116, fax 405-744-8380 or VP 405-571-9860 or by email at accessibility@okstate.edu.

When it comes to food, it's all about choices - and with nearly 30 unique dining options, there's something for every Cowboy. From national franchises to local favorites, healthy meals to indulgent snacks, the possibilities are endless. Whether you want an early-morning coffee or need a late-night snack, we've got it covered. We recognize that our students have varying needs and tastes when it comes to food; that is why we offer some of the most flexible plans in the nation.

Being a part of "America's Healthiest Campus" means there are always well-balanced, nutritious options for our customers. Our Choose Orange food labeling program encourages students to choose healthier options while dining on campus by easily identifying better-for-you choices without having to read a nutrition label. The program is based on the U.S. Dietary Guidelines and qualified items are identified by the Choose Orange icon.

All freshmen living on campus are required to have a meal plan at the bronze level or higher. Campus meal plans are available to on- or off-campus students, as well as any staff or faculty member.

How our Meal Plans Work

Two weeks before the start of each semester, your meal plan amount is automatically loaded on your student ID, which can be swiped at any dining outlet on campus like a debit card. You can immediately spend as much or as little as you want, whenever you want and your balance declines as you make purchases.

Your meal plan is valid anywhere you can eat or drink on campus, including on-campus sporting venues. Each item on campus has a dollar value associated with it, and you are only charged that specific amount each time you use your meal plan to dine on campus—no "blocks," "meals" or limits!

Didn't use your full meal plan this semester? No worries! 100% of your remaining balance at the end of the fall semester will roll over to the following spring semester with a valid meal plan contract. Rollover is only available from fall to spring semester within same academic year (this does not include the non-contract G plan). To learn more about everything UDS has to offer, please visit dining.okstate.edu (<https://dining.okstate.edu>). For meal plan questions, call 405-744-4920, email dining@okstate.edu or visit the Meal Plan office at 301 Student Union.

University Health Services

University Health Services is an urgent care facility, designed to provide affordable, provider-directed health care to students. UHS offers a wide range of services including lab work, x-ray, an onsite and drive-thru pharmacy, and general clinic care. A complete list of services can be found at <http://uhs.okstate.edu>. In the event a medical condition exists that is beyond the scope of the services offered, referrals can be placed to local providers and specialists. Emergency services can be provided by Stillwater Medical Center.

Health Requirements

All new students are required to submit Immunization records and a complete health history form found at <https://uhs.okstate.edu/forms.html>. Oklahoma law requires that students report their compliance with childhood immunizations including measles, mumps, rubella (MMR), and hepatitis B. These records can be submitted electronically through the UHS Health Portal at <https://okstateportal.pointnclick.com> (<https://okstateportal.pointnclick.com/confirm.aspx>) by using their O-key login and password. More details about immunization requirements can be found at <http://uhs.okstate.edu/>. Failure to comply with these requirements could result in restrictions on future enrollment.

Tuberculosis Testing International Students

All international students are required to undergo tuberculosis (TB) screening before enrolling. This screening is conducted at UHS and includes a blood test. If TB testing is required based on the results, the student is responsible for any associated costs. Please note that only tests conducted within the U.S. are accepted; a chest x-ray from outside the U.S. will not satisfy this requirement. No other vaccines or tests can replace the TB screening.

We can complete the TB screening at the International Student Health Screenings, held at UHS on specific walk-in dates provided by International Students and Scholars. All required records must be submitted in English.

Tuberculosis Testing Domestic Students

Domestic students need to be tested for tuberculosis if they meet any of the following conditions:

- Have lived outside the U.S. for more than 8 weeks continuously,
- Have a medical condition that suppresses the immune system, or
- Have had a known exposure to someone with active tuberculosis.

Mandatory Health Insurance for Non-Immigrant Students

The Oklahoma State University Board of Regents requires non-immigrant students to maintain health insurance as a condition of enrollment. The premium for the Student Health Insurance Plan will be automatically added to the Bursar account, along with tuition and fees, for all non-immigrant students at OSU.

Please note that waivers are not accepted for students who have purchased their own health insurance. All international students on F and J student visas will be enrolled in the university's insurance plan following the drop/add date for the semester. For details on plan coverage and pricing, students should contact Oklahoma State University Human Resources.

Insurance Waivers & Exceptions

For inquiries related to Curricular Practical Training (CPT) or visa-based insurance waivers, please contact the International Students and Scholars (ISS) office at: 405-744-5459 or iss@okstate.edu.

- The insurance premium will be waived for students on Curricular Practical Training (CPT) who provide documented evidence of health insurance coverage — including medical evacuation and repatriation — through an employer whose plan meets the standards of the Patient Protection and Affordable Care Act.
- Non-immigrant students employed by OSU and eligible for the OSU employee insurance plan will not be covered by the student insurance plan. Proof of OSU employer coverage should be submitted to ISS with a waiver form.
- University Human Resources does not process or approve waivers. Please direct all waiver inquiries to ISS.

Graduate Assistants & Health Insurance

Graduate Teaching Assistants/Research Assistants may be eligible for the Student Insurance Plan as part of their assistantship if the GTA/GRA position, lasting the full semester, meets one of the following criteria:

- taking 9 credit hours spring/fall (2 summer) at 0.25 FTE, or
- taking 6 credit hours spring/fall (2 summer) at 0.50 FTE, or
- on reduced continuous enrollment of 2 credit hours or more for post-candidacy doctoral GTA/GRAs at 0.25 FTE.

Student Health Plan related inquiries should be directed to University Human Resources. Graduate assistants do not need to submit waiver forms to ISS.
